

DOREMI SERVERS AT ACCESS IT SITES
IMPORTANT INFORMATION FOR JONAS BROTHERS 3D!!!

If you are using a Doremi Server and your site is part of the Access IT rollout, you must follow the instructions below. Failure to follow these instructions will result in the improper playback of the content provided. To determine your TCC software version, please check the bottom right of the main TCC screen with the AccessIT logo.

Building Playlists for 3-D Presentation on a AIX DCP-2000 with 2.5 TCC:

1. Start → Show Editor
2. Click on the New Button to add a new playlist. Name it "**Jonas 3D**"
Click OK.
3. Add all the content in the Disney Show Playlist and the optional content if required in this order:
 - 3D-Black-10sec_POL_F_51_2K_20081016_TDC_i3D
 - 3D-Black-5sec_POL-1_F_51_2K_20080118_TDC_i3D
 - 2D Trailer Content
 - Put on Your 3D Glasses Card
 - "Keep it Green" Recycle 3D Glasses Card
 - 3D Trailers
 - Disney Digital 3D logo
 - Jonas Brothers 3D feature
 - Rating Card
 - 3D-Black-5sec_POL-1_F_51_2K_20080118_TDC_i3D

Please see attached image for reference
